

Beginning Art  
Zentangle Classwork 1-2 class period(s)  
Due: September 17

Ms. Siwek

Rhythm, Pattern and repetition are principles of art. *Repetition* refers to one object or shape repeated; *Pattern* is a combination of elements or shapes repeated in a recurring and regular arrangement; *Rhythm*--is a combination of elements repeated, but with variations.

Using only art created by the artists below, find 3 examples of each repetition, pattern and rhythm. Refer to the definitions above. Stay focused in order to turn in your work on time, and have fun!

**\*Please use different artists for each repetition, pattern and rhythm type; all your examples should come from a different artist. Make sure the image you use is in fact, by the artist.**

**Rubric: Line and Shape Classwork**

\_\_\_\_\_ **54 pts:** 9 slides, 6 pts each. Each example shows *visually apparent* use of each repetition, pattern and rhythm.

\_\_\_\_\_ **30 pts:** Classroom process: 3 pts each - You were highly engaged and conducted research beyond page 1 of your search, you downloaded and correctly *archived* in folders, examples for the assignment. You turned in the assignment by the due date.

\_\_\_\_\_ **16 pts:** Presentation: 2 pts each. Your presentation is cohesive, all slides labeled correctly with the artists names, presentation is technically clean.
