

Photography 2 Classwork & Homework

This is practice for your series and sequences of images assignment. You may create one (either one) in class, and the other at home. The classwork is due tomorrow, the homework is due Wednesday. Remember all of your tools, i.e. should be visibly apparent!

Frame & composition

Angles

Light, shadow & reflection

As should the photographic attributes;

Light

Time

Vantage point

Focus

Motion

Frame,

Cropping

Technique

Create a Series of 4-6 images (many versions of the same theme, concept or subject)

Create a Photographic Sequence of 3-5 images (reflects the passage of time)
