

Classwork Exercise  
Frame and Composition

SIWEK

This exercise is for you to practice using frame and composition.  
Pick a partner. You will each model for the other being photographed using each of the six Frame and Composition strategies

1. Photograph your partner, using rule of thirds.

2. Photograph your partner, using Frame with the edge

3. Photograph your partner, using Leading Lines.

4. Photograph your partner, while Close-up.

5. Photograph your partner, using Dominant Contrast.

6. Photograph your partner, using Frame within a Frame.
