

## **FINAL PROJECT - END OF YEAR WEBSITE / PORFOLIO / REFLECTION RUBRIC**

### **1. BASIC SKILLS - WEBSITE**

**25** = Student website has 3 completed pages (Home, Portfolio, Blog). There are no unused/ incomplete elements of the page. All components of the website/portfolio/reflection were submitted on time.

**20** = Student website has 2 completed pages. There are **less than 3** unused/ incomplete elements of the page. All the photography used was taken by the student. All components of the website/portfolio/reflection were submitted on time.

**15** = Student website has incomplete or incorrectly formatted pages. There are **less than 2** unused or incomplete elements of the page. All the photography used was taken by the student. Not all components of the website/portfolio/reflection were submitted on time.

**10** = Student website has 2 or less completed pages. There are **more than 3** unused or incomplete elements of the page. Some of the photography used was not taken by the student. Some components of the website/portfolio/reflection were not submitted.

### **2. WEBSITE STYLE AND FORMAT**

**25** = Student selected fonts, colors, and layouts that were reflective of the student's personal style. The website is intuitive and easy to navigate. All of the photography on the website was carefully selected and taken by the student.

**20** = Student selected fonts, colors, and layouts that were appropriate for a photography website. The website is easy to navigate and all photography on the website was taken by the student.

**15** = The fonts, colors, and layouts selected for the website lack a sense of cohesiveness. The website has navigation set up, but it is not clear to user. Some of the photographs on the website were not taken by student.

**10** = The fonts, colors, and layouts selected for the website are random and don't work well for a photography website. The website has navigation unclear or not working properly. Some of the photographs on the website were not taken by student.

### **3. PORTFOLIO**

**25** = Student portfolio has 40 photographs in a gallery. The photographs included in the portfolio meet all the requirements given. The portfolio is well-developed and shows variety of skills learned throughout the year.

**20** = Student portfolio has 35 photographs in a gallery. Less than 5 of the photographs included in the portfolio do not meet the requirements given. The portfolio shows some variety of the skills learned throughout the year.

**15** = Student portfolio has 30 photographs in a gallery. More than 5 of the photographs included in the portfolio do not meet the requirements given. The portfolio shows very little variety of the skills learned throughout the year.

**10** = Student portfolio has submitted 25 or less photographs in a gallery. More than 10 of the photographs included in the portfolio do not meet the requirements given. The portfolio shows almost no variety of the skills learned throughout the year.

### **4. REFLECTION**

**25** = End of year reflection is posted on the student's blog along with a gallery of their 10 best photographs from Photography I. The reflection is at least 3 paragraphs long and addresses all of the questions given within their reflection clearly and thoroughly.

**20** = End of year reflection is posted on the student's blog along with a gallery of their 10 best photographs from Photography I. The reflection is at least 2 paragraphs long and addresses at least 10 questions given within their reflection clearly and thoroughly.

**15** = End of year reflection is posted on the student's blog along with a gallery of their 10 best photographs from Photography I. The reflection is less than 2 paragraphs or not done in paragraph form.

**10** = End of year reflection is posted on the student's blog, but the 10 best photographs are missing. The reflection is only 1 paragraph or not done in paragraph form.

**FINAL GRADE:** \_\_\_\_\_
