

- You will be taking a total of 10 photographs for Part II of your classwork. Please use your imagination and follow the instructions below.
 - All exposures must be between 1" - 30" (seconds)
 - Edit and title (your choice of title) all 10 and post to blog
1. Photograph a "light painting" that spells out a word
 2. Photograph one hand that appears in 3 different positions in the same photograph
 3. Take a photograph in which the same person appears twice
 4. Take a photograph in which the same person appears 3 or more times
 5. Photograph a "light painting" that outlines a person
 6. Photograph a person so that their head disappears but body remains
 7. Photograph a person and make them have 2 heads
 8. Photograph a person dancing (must be 5" second exposure)
 9. Photograph a person's face while they talk (this should be a tight frame/close crop of person's face)
 10. Group Choice
