Portraiture Homework: Using only photographs taken by the above photographers find good examples of the following.... Create and title your slide presentation

• 1 Portrait using dominant contrast

• 1 Portrait taken using shallow depth of field

• 1 Portrait that uses reflection

• 1 Portrait that uses slow shutter speed

• 1 Portrait taken in soft light

• 1 Portrait taken using frame within a frame

• 1 Portrait from a high or low angle.

• 1 Portrait you want to recreate

*Please use different photographers for each photograph, your examples should come from the same person. *Label Each Photograph*.

 * In Google Classroom post in Portraiture Classwork

Portraiture: classwork rubric

_____ **60 pts**: Identification: The selections from your photography search show two visually apparent examples of each light quality: 10 pts. each.

_____ **20 pts:** Classroom process: You were highly engaged in focused research, you downloaded and correctly archived your examples for the assignment. You turned in the assignment by the due date.

_____ **20 pts:** Your slide show is cohesive, technically clean and presented clearly.
