

Intermediate Art

Project: Birthday Buddy Remake a Master

The idea of the project is to remake a famous artwork, specifically a painting using your art skills. All the work for this project comes from the skills you have developed throughout the year. You will find the artist first and then look through their art for a famous painting you will select to work with. The painting that you select must be school appropriate!!!! Go to any and all of the sites below:

Research the artist and create a slide presentation with 5 of the artist's artworks. For each, list

Artist Name	sample:	Peter Paul Rubens
Title of the artwork		<i>Castle of Steen</i>
Date of the artwork		1635
Medium and size of the artwork		Oil paint on panel, 51" x 90"

Select the work you will re-create. You will use a 12" X 18" size paper. Choose your colors as they appear by your chosen artist. You will have four class periods to complete the classwork presentation and the painting. Finally, photograph your masterpiece and post it to your Blog by . This project must be on your blog and the link posted in Google Classroom.
